Nearly 2000 votes separated the leading Liberal candidate in Vancouver from the lowest Conservative vote yesterday. This was a complete answer to the predictions of Liberal workers that the Vancouver voters this year would split their ticket and give from one to three Liberal choices instead of voting in favor of the Solid Five. The Solid Five, Messrs. Bowser, McGuire, Tisdall, Macgowan and Watson, were returned to the Provincial Legislature with the largest majorities they ever received in their political careers.

With the splendid total of 5137 Dr. G. A. McGuire headed the list of the successful candidates. Attorney-general Bowser came next with 5099, and Mr. C. E. Tisdall third with 5082. Mr. A. H. B. Macgowan secured 5042 votes, while Mr. H. H. Watson received 4980. The official returns

WILL ARREST HINDU WHO IS ALLEGED TO HAVE VOTED

Warrant Issued This Afternoon for Apprehension of Houssein Rahim.

Charge Is Perjury In Application to Be Placed on the Voters' List.

Man Is Alleged to Have Cast Ballot in Ward Four Yesterday.

Alleged to Have Taken Oath Before Commissioner Flumerfelt, Prominent Liberal.

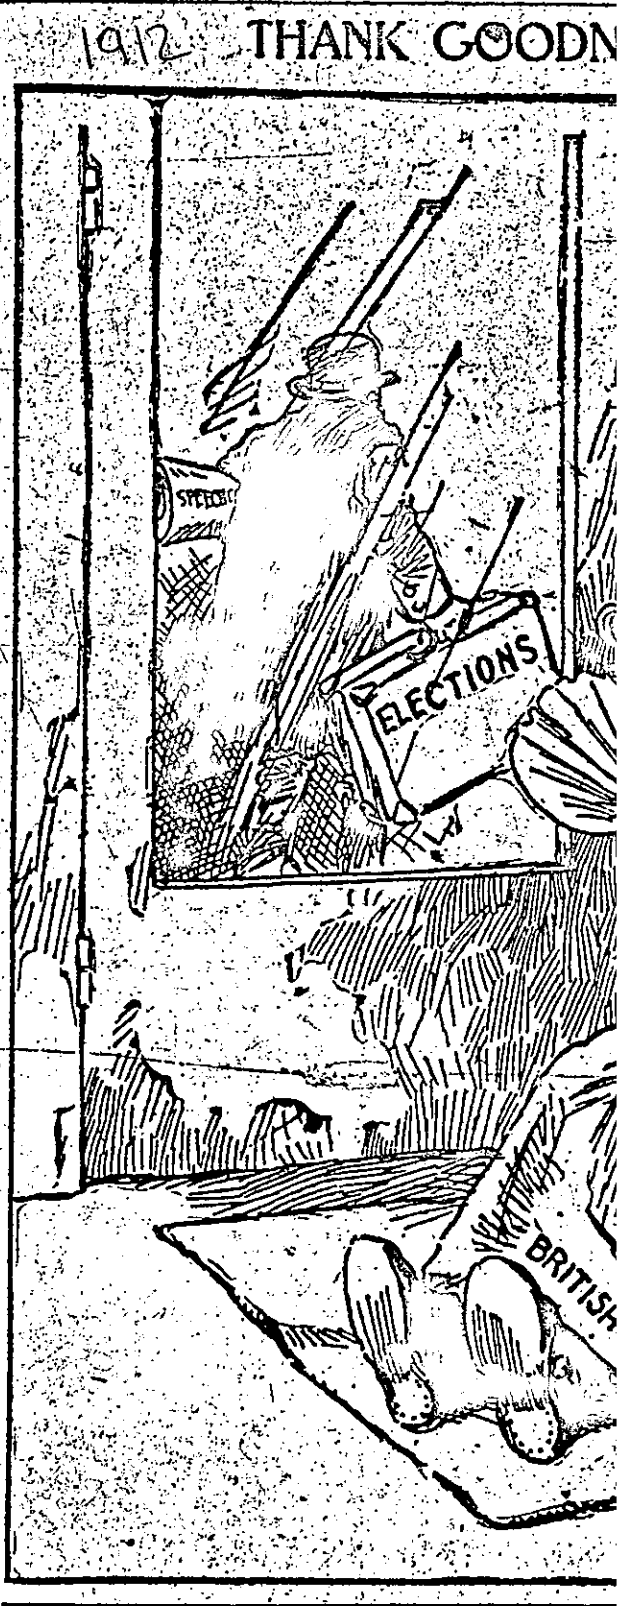

Because he is alleged to have cast a vote in Ward Four polling station yesterday, Houssein Rahim, a Hindu, is slated for arrest on a charge of perjury. A warrant for his apprehension was issued early this afternoon and will be executed, it is declared, just as soon as the police can lay their hands on the man.

Rahim is well known to the immigration authorities of Vancouver because of his successful resistance of efforts of the Dominion Government to deport him. Rahim landed in Vancouver about two years ago, and on several occasions has defended in the courts attempts on the part of the immigration officials to ship him out of the country on the ground that he was not legally entitled to admission.

The Provincial Elections Act specifically declares that no Hindu may exercise the franchise. Yesterday Rahim is alleged to have acted as a Socialist scrutineer in booth No. 7, Ward Four polling station, and it is further alleged that he cast a vote in the same polling station.

Sworn Before Flumerfelt.

It developed this morning on investigation of the case that Houssein Rahim, 129 Pender street east, occupation real estate, is catalogued on the Vancouver voters' list as No. 2838, and a duly qualified elector. His application for registration shows that he took oath before Mr. W. B. Flumerfelt, a commissioner for the taking of affidavits under the Elections Act, that he was a duly qualified elector in the Vancouver city electoral district. Mr. Flumerfelt is a well-known worker in the Liberal party. It is alleged that following Mr. Flumerfelt's acceptance of Rahim's declaration his name was placed on the voters' list last September, prior to the Dominion election.
