POP QUIZ

1. Is UFV larger or smaller than most of the universities in Canada?
2. Are there more girls than guys or vice versa?
3. Will tuition cost more than buying yourself a sweet ride?
4. How many UFV alumni are out there?
5. What's with those dents in the floor in the clock tower stairwell?

ANSWERS

1. With more than 16,000 students, UFV is larger than half the universities in Canada.
2. At UFV, the gender breakdown is 64% female and 36% male.
3. Nope. The average tuition for a Canadian undergraduate student at UFV is about \$4,335/year.
4. More than 30,000 people call UFV their alma mater*.
*Alma mater is Latin for 'nourishing mother' and refers to the school you graduate from.
5. Ask a first-year physics student.

CHOOSE UFV

university

THE PLACE TO BE

Nestled in the beautiful Fraser Valley just east of Vancouver, British Columbia, Canada, the University of the Fraser Valley (UFV) is a fully accredited, public university that enrolls 16,000 students per year. We have campuses in Abbotsford, Chilliwack, and Mission, a regional centre in Hope, and an international campus in Chandigarh, India.

UFV is large enough to offer variety and small enough to offer personal attention. Our small class sizes and focus on excellent teaching quality mean that you'll get to know your instructors and learn in a hands-on environment. Our emphasis on applied research offers many opportunities for you as a student researcher.

Whether you're looking forward to life with a university degree, have your sights set on a certificate or diploma that will lead to a rewarding career, or want to upgrade your current credentials, UFV can get you there.

EVERYONE IS WELCOME...

We think that anyone who wants to go to university should be given a fair chance. Our admission policies are flexible, and we provide a number of university prep courses and high school completion options. We offer two master's degrees, 15 bachelor's degrees, more than 100 certificate and diploma programs, several graduate certificates, and more than a dozen Trades and Technology programs as well as Continuing Studies, English as a Second Language, Adult Basic Education, and Adult Special education courses and programs. Chances are good that we'll have the program you are looking for.

UFV strives to be a place of learning that recognizes, respects, and includes indigenous ways of knowing. Our Fraser Valley locations are in the traditional territory of the Stó:lō peoples.

CHOOSE UFV

rewards

WHAT'S IN IT FOR YOU?

Here's why you should consider post-secondary education now rather than later:

INCREASE YOUR EARNING POWER:

University grads in Canada earn up to 50% more than high school grads.

STUDY AND TRAVEL OR WORK AT THE SAME TIME:

Co-operative education and study-abroad programs mean you can get your diploma or degree while earning valuable work experience or travelling the world. UFV has over 40 partner universities internationally, and our very own business school in Chandigarh, India.

CHALLENGE YOUR THINKING:

Learn about the world around you, and find out who you really are and what you really want in life.

BUILD A NETWORK:

Great careers are based on great personal contacts. The friends you make at university may turn out to be your best allies in life.

EXPAND YOUR MIND:

Explore and choose from hundreds of courses in disciplines you may not even recognize. Think geomorphology or biomechanics, animation drawing or forensic biology. It's ok if you're not sure exactly what you want to study. You don't have to decide on a major on your first day or even your first semester!

UNIVERSITY IS NOT THE SAME AS HIGH SCHOOL!

High school*

*Experiences may vary

University

Specific group of friends

So many new friends, and lots of people share your interests

30 hours/week in class

12–16 hours/week in class, more time studying and preparing

You're in bed by 11 (ish)

Go to bed when you want, but you need to be able to function the next day

Projects you don't want to do

Projects are interesting because you're the one choosing the subject

Parents drag you out of bed

It's time to figure out how to use your cell phone alarm

Same teachers all the time

Different instructors from around the world, all are professionals or specialists in their fields

Classmates who don't want to be there

Everyone has chosen to be there

Attendance matters

It's up to you to show up and make the most of your classes

Limited choice of what to study

Incredible choice, hundreds of classes

Tests cover reading

Tests can cover any material delivered in class or on a reading list

Minimal effort gets decent return

Be prepared to put in the time

Everything's free

Your tuition and textbooks are an investment in your future

TOP 5 REASONS TO CHOOSE UFV

Choosing which university to attend can be tough. You've got to find a place that fits your lifestyle, your values, your career goals, and your budget!

On the next few pages we count down the top five reasons to choose UFV.

location

REASON #5:

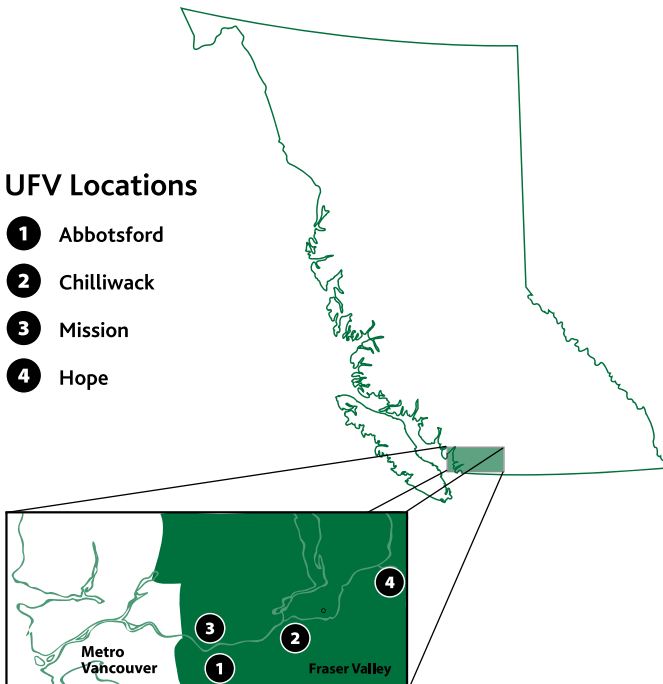

LOCATION, LOCATION, LOCATION

The Fraser Valley is growing quickly and is one of Canada's most ethnically diverse regions. We're surrounded by spectacular mountains, incredible scenery, and great recreational activities for everyone in every season. Yep, we are in a temperate rainforest, but the rain keeps things green year-round... and you don't have to shovel it!

Our communities are connected, our housing affordable and our cities are close to Metro Vancouver, the United States border, and the Abbotsford International Airport.

UFV Locations

- 1 Abbotsford
- 2 Chilliwack
- 3 Mission
- 4 Hope

TOP 5 REASONS TO CHOOSE UFV

REASON #4:

DIVERSITY

At UFV, we welcome students and instructors from all over the world, so you will be exposed to different cultures, global thinking, and a variety of ways to approach any challenge.

With such a comprehensive collection of programs to choose from, you'll have the opportunity to sample courses from many different disciplines, figuring out what you really enjoy along the way.

We like to think that going to university should involve more than just books, notes, homework, and tests. Join one of the many student-run clubs or organizations here on campus. Don't see something that interests you? We'll help you start your own!

21 REALLY COOL UFV COURSES

you probably didn't know about:

- Television and Social Values: The Simpsons
- Equine Production and Management
- Human Origins
- Urban Life
- French Art & Architecture
- Medical Genetics
- Peace Officer Use of Force
- Music in Early Childhood Education
- Virtual 3D Prototyping (Fashion)
- History of Fashion

- Environmental Ethics
- Acting for the Camera
- Dynamics of Racism in Canada
- The Politics of Art in Latin America
- Personal Wealth Creation
- Stress and Chronic Disease
- Introduction to Archaeology
- Introduction to Artificial Intelligence
- Deviant Behaviour
- Documentary Video Storytelling

TOP 5 REASONS TO CHOOSE UFV

flexibility

REASON #3:

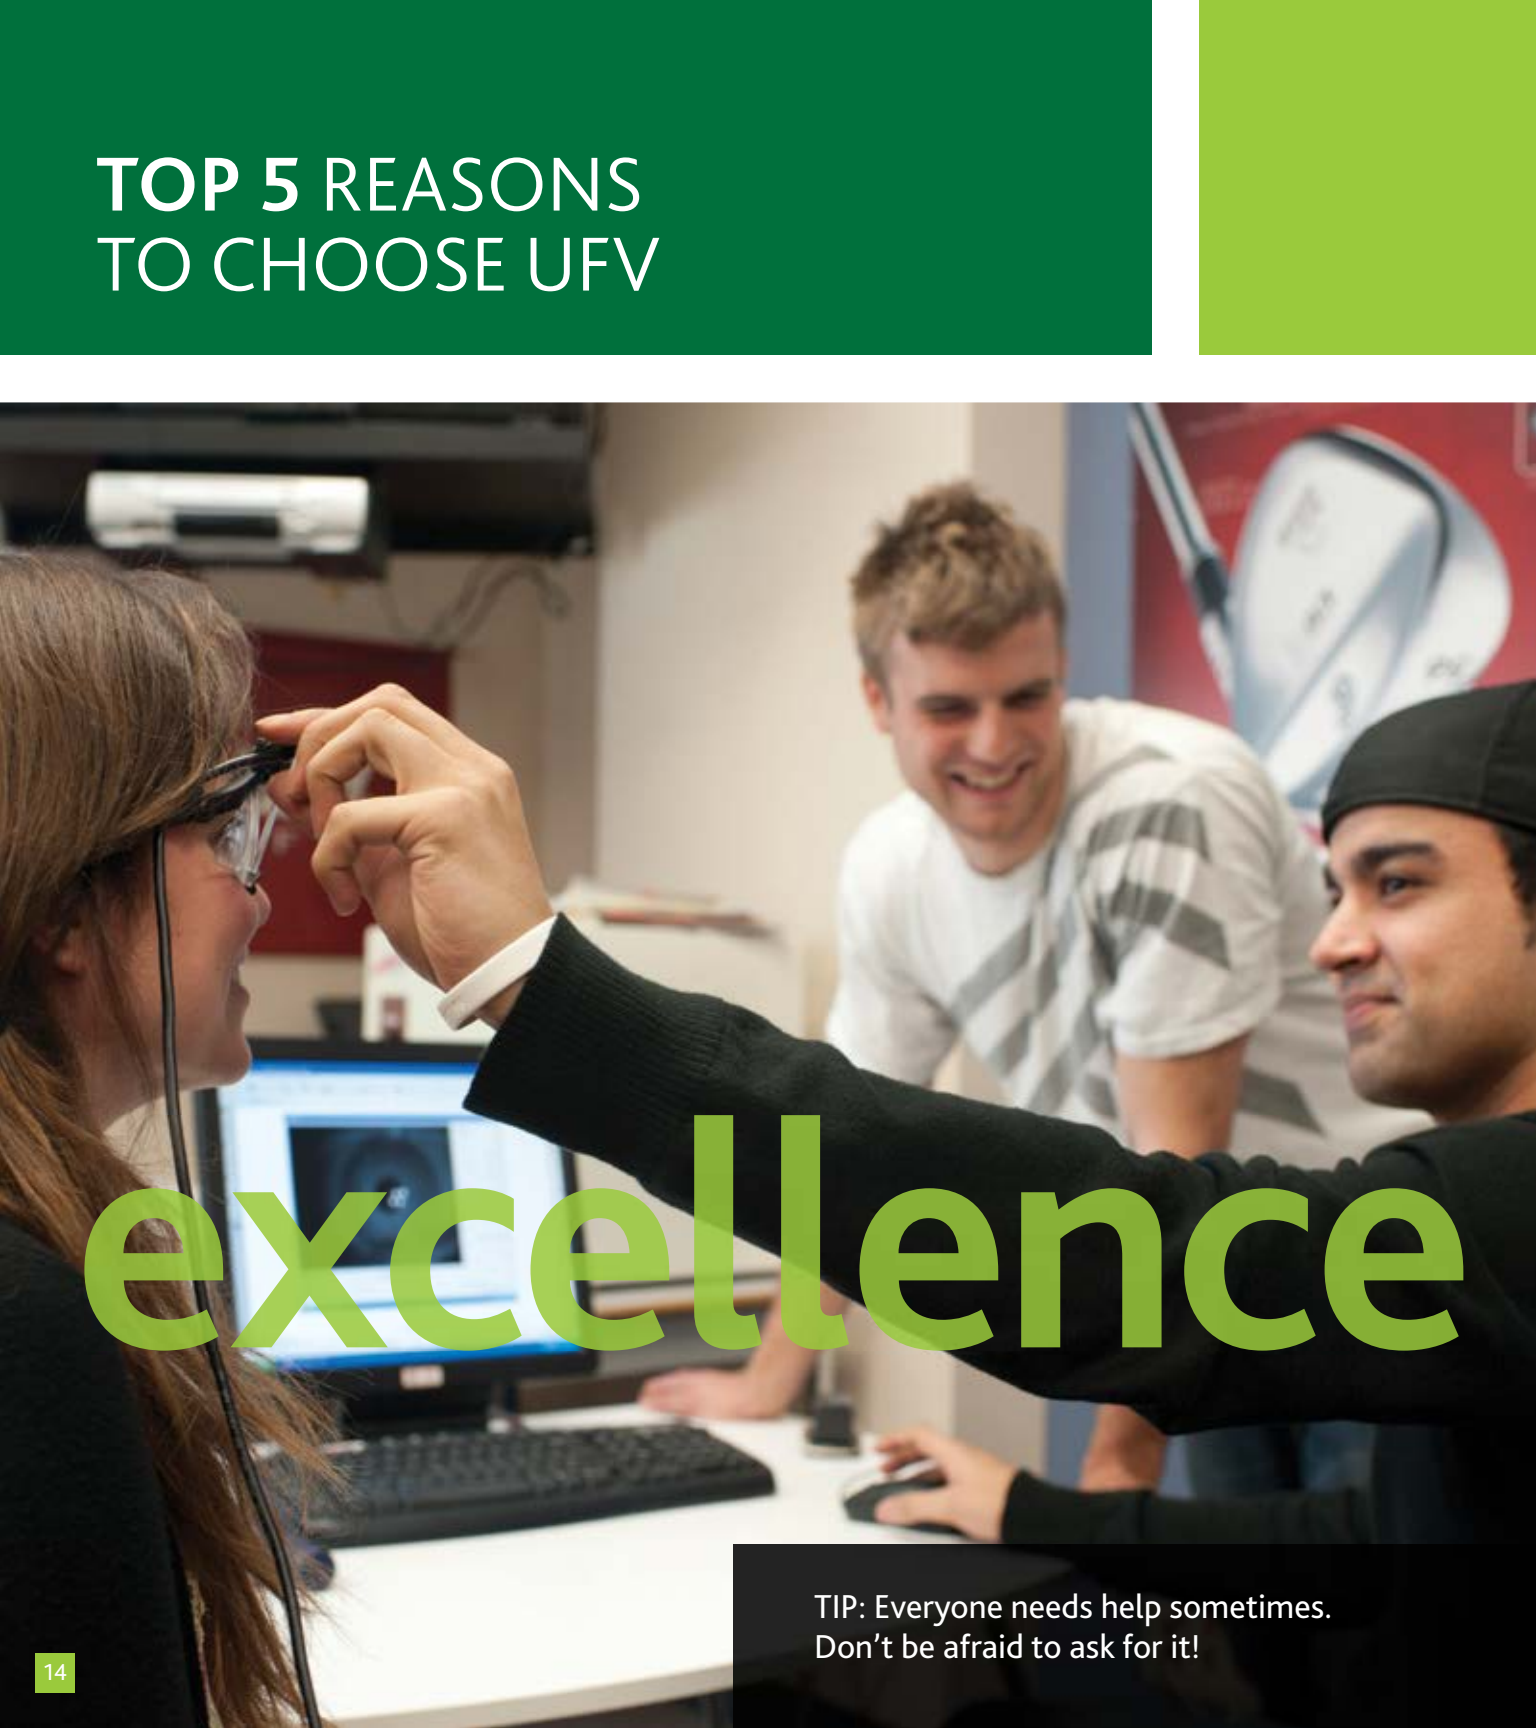

FLEXIBILITY

Perhaps you work best at night or on weekends. At UFV, you can study part- or full-time; and take classes in the morning, afternoon, evening, on Saturdays, or online. We also offer a summer semester in addition to our regular fall and winter semesters if you want to accelerate your studies. Make a schedule that fits your life!

Monday, Sept 14	
8:30–9:30 am	Sleeeeeeep. Hit snooze a lot.
9:30–9:50 am	Run to class
9:50–11 am	(Shower! Timmys?)
11 am–12:30 pm	Film 110 — Film Studies
12:30–12:50 pm	Eat. Work out.
12:50–3 pm	Run to class
3–6:50 pm	Anthropology 101
7–8:20 pm	(Human Origins)
8:30–9:30 pm	BBQ at dorms (nap?)
9:30–10 pm	Bus 120
10:30 pm–Midnight	(Essentials of Marketing)
	Read chapter
	Students for Sustainability
	Movie

TOP 5 REASONS TO CHOOSE UFV

A photograph of three students in a computer lab. A woman on the left is wearing a head-mounted display (HMD) and looking at a computer screen. A man in the center is smiling and looking at the screen. A man on the right is wearing a black cap and looking at the screen. The word "excellence" is overlaid in large green letters.

excellence

TIP: Everyone needs help sometimes.
Don't be afraid to ask for it!

REASON #2:

WE ARE REALLY, REALLY GOOD

In survey after survey, our students keep telling us that they love it here. And what's more, they get great educational value without spending all of their hard-earned money.

98% of former UFV students who completed a degree indicate that they were "satisfied" or "very satisfied" with the education they received at UFV

99% of UFV degree graduates stated the quality of their instruction in their program was "good" to "very good"

93% of degree grads assessed that knowledge gained at UFV "useful" or "very useful" in performing their current jobs

- Baccalaureate Graduates Survey,
Province of British Columbia

94% of all UFV grads
would recommend
UFV to others

- Canadian University Consortium Survey 2012

TOP 5 REASONS TO CHOOSE UFV

you

UFV is large enough to offer a great selection of programs,
but small enough to care about you as an individual.

	UFV	UBC	SFU	UVIC
Average # of students in first-year class	33	172	174	160

- *Globe and Mail Canadian University Report, 2012*

REASON #1:

YOU ARE THE MOST IMPORTANT

At UFV, our focus is on the success of our students while in university and beyond. Our small class sizes allow individual attention, creative learning, and one-on-one time with your instructors. Whether you need academic advice, counselling, career services, or even help with an assignment, there is somebody here to offer you personalized advice and support.

ORIENTATION PROGRAMS

At student orientation, you will get to know the UFV community, our campuses, and our services. There are also orientation sessions for parents so they can ask all of their questions.

COMPUTER LABS AND WI-FI

UFV provides hundreds of computers for on-campus student use. Free wireless Internet service is available on campus for students with laptops, tablets, and other devices.

LIBRARY

In addition to free tours, orientations, and study research skills classes, the UFV Library offers one-on-one reference clinics on the Abbotsford campus. Book a half-hour appointment time with one of our reference librarians and they will assist you with your research.

MEDIA RESOURCES

Cameras, video cameras, projectors, microphones, audio recorders, a graphics computer lab, scanners, and video editing equipment are just some of the free media resources available for you to borrow as a UFV student.

WRITING CENTRE

Get help with researching, developing ideas, organizing materials, drafting, and revising. The Writing Centre can also assist with a range of writing tasks including essays and oral presentations.

MATH CENTRE

Are the equations just not adding up? The Math Centre can help.

SUPPORTED LEARNING GROUPS

These are peer learning groups that are associated with some of our more challenging courses. When you need to get calculus under your belt, Supported Learning Group leaders are there to help coach you along.

COUNSELLING AND ADVISING SERVICES

Sometimes you need help to wrap your brain around all of the decisions you need to make in life. These services are available free to students for study skills advice, career and life planning decisions, educational planning, personal or relationship problems, and crisis situations.

DISABILITY SERVICES

UFV provides services and equipment to help smooth the path for students with disabilities as they pursue their goals at UFV.

SHUTTLE BUS

UFV and the UFV Student Union Society even provide a free shuttle bus that runs between our Abbotsford and Chilliwack Trades and CEP campuses up to 15 times a day.

CHOOSE UFV

A photograph of a computer lab with several students. In the foreground, a student with blonde hair is pointing at a laptop screen. Another student with dark hair is seen from behind, looking at a large monitor. Other monitors and desks are visible in the background.

careers

IT'S WORTH IT!

If you are coming to university, you're on the right track. It's projected that 70% of the job openings in BC between now and 2019 will require university or other post-secondary or industry training.

WANT TO WORK ACROSS CANADA?

There are more jobs across Canada for university graduates – even in a tough economy. From July 2008 to July 2013, the net increase in new jobs for university graduates was 810,000. The available jobs for those with no post-secondary education decreased by 540,000 during the same period.

- Statistics Canada, Labour Force Survey

IT ALL STARTS AT UFV

UFV is a great place to get an education that works: 93% of degree graduates said that the knowledge they gained at UFV was 'useful' or 'very useful' in performing their current jobs.

- Baccalaureate Graduates Survey, Province of British Columbia

More UFV grads have jobs and are satisfied with their jobs than on average for Canadian university graduates.

- 2012 Survey of Graduating Students, Canadian University Survey Consortium

TOP 20 JOBS OVER 60K

As ranked in Canada's Best Jobs 2013, Canadian Business, which reviews over 600 jobs in Canada and ranks them according to job growth, median compensation (salary), and change (growth) in median compensation over the last five years.

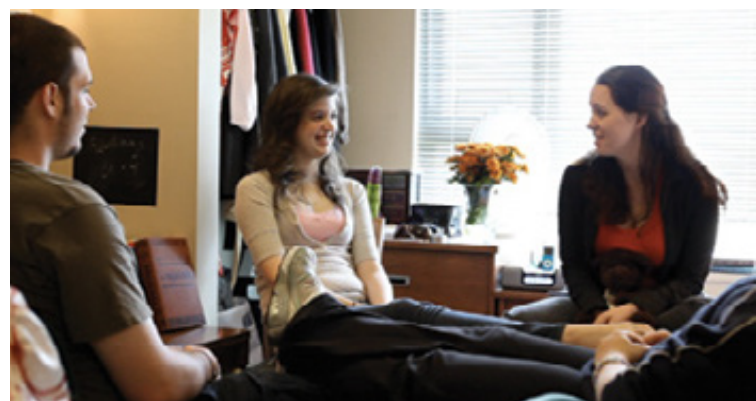

Overall rank	Job	Median annual salary (2012)
1	Oil & gas drilling supervisor	\$74,880
2	Head nurse & health-care manager	\$74,880
3	Petroleum engineer	\$93,517
4	Electrical & telecommunications contractor	\$72,800
5	School principal & administrator	\$90,002
6	Lawyer	\$79,997
7	Real estate & financial manager	\$79,872
8	Senior government manager	\$95,992
9	Chemical engineer	\$78,000
10	Aerospace engineer	\$75,005
11	Audiologist & speech-language pathologist	\$77,813
12	Natural & applied science researcher	\$73,590
13	Construction manager	\$72,800
14	Police officer	\$72,800
15	Financial administrator	\$79,997
16	Registered nurse	\$72,072
17	Sales & marketing manager	\$75,005
18	Dental hygienist	\$69,992
19	Civil engineer	\$76,960
20	Industrial technician	\$74,381

CHOOSE UFV

What could be more convenient than rolling out of bed in the morning at 8:15, strolling across campus, stopping at Timmy's, and starting class at 8:30? Say goodbye to commutes and landlords and replace them with convenience and community right on campus.

EXPERIENCE RESIDENCE

UFV's Abbotsford campus is home to students from Canada and abroad in the Baker House residence.

Two students share each 550 square-foot unit, featuring campus or mountain views. Each private bedroom is furnished with a bed, dresser, desk, and chair. Roommates share a living area, with microwave, mini-fridge, kitchen table, chairs, and bathroom with shower. There is a shared common room, study room, and laundry facility on each floor for all residents to use. Wi-Fi is available throughout the building and Internet connections are available in bedrooms, common areas, and study rooms.

Abbotsford: 604-557-4063
Toll-free in Canada:
1-888-504-7441, local 4063
ufv.ca/residence

OFF-CAMPUS HOUSING

Visit these websites to make your own personal off-campus housing arrangements:

- myidealhome.com
- rentalsbc.com
- homestaycentral.com
- gpicanada.com

GETTING AROUND

CYCLING

There are bicycle storage areas on the Chilliwack and Abbotsford campuses, as well as numerous free bike racks. For a small deposit and monthly fee, you can rent space to store your transportation.

PARKING

You can purchase hourly parking and weekly, monthly, and semester-based e-permits. Ask about special carpool parking. We also have electric car charging stations.

TRANSIT

Students attending classes at UFV campuses can find information at **busonline.ca**

SHUTTLE BUS

A free shuttle bus runs between our Abbotsford and Chilliwack Canada Education Park and Trades campuses up to 15 times a day. Now you have more options than ever to get to class on time!

TIP: Pick up your U-pass from the Student Union Society for local transit and free recreational fitness opportunities

CHOOSE UFV

Going to university is about more than just listening to lectures, taking notes, and writing papers. Avoid the dreaded 'brain freeze' by enjoying university life outside the classroom as well.

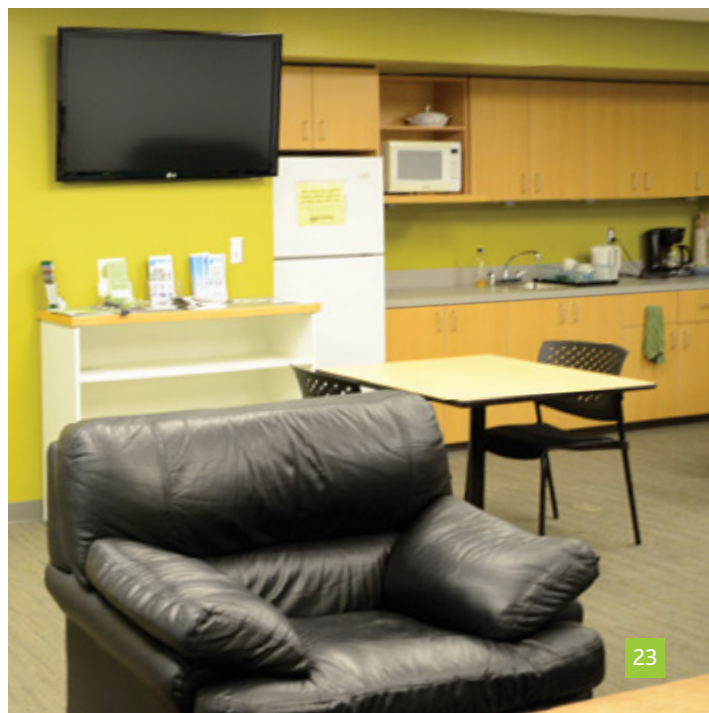

FUN THINGS TO DO ON CAMPUS

Here are some ways to kick back, play, relax, and have fun at UFV:

- UFV Student Activity Centre offers a fully equipped fitness room, as well as drop-in sports, including basketball, badminton, volleyball, and indoor soccer.
- Special events for students include new student orientation, live music, movie nights, theatre events, pancake breakfasts and more!
- SOLAR, the Student Outdoor Life and Recreation club, organizes weekend- and day-trips that range from backpacking, camping, and kayaking to cross-country skiing. If outdoor activities aren't your thing, join one of the other 50+ student-run clubs and associations.
- Recreational programs are based on student interests. These have included running and walking clubs, swing dancing, yoga, tai chi, karate, and a variety of fitness classes including Zumba and bootcamp.
- Intramural sports programs provide excellent opportunities to learn new sports (pickleball, anyone?) and meet people.
- Cheer on the Cascades! Become a fan of one (or all) of UFV's varsity athletics teams. Home games are a great way to have fun and meet other students.
- S'olh Shxwlélí is UFV's Aboriginal Resource Centre and gathering place. Its cultural activities are open to all students and have included circle meetings, Elder visits/gatherings, workshops, and more.

UNIVERSITY HOUSE

University House on the Abbotsford campus and the Student Life/Student Union Society area on the lower floor of the Chilliwack campus have been designed to create a sense of place and belonging where you can feel safe, comfortable, and connected. Go there to relax, have a snack, participate in planned activities, meet classmates, brainstorm ideas, or get information about campus resources. For more information on student life, visit ufv.ca/studentlife

WHY "CASCADES"?

The Cascade mountain range visually dominates the landscape of the Fraser Valley and runs along the west coast of North America. Its tall volcanoes form part of the Pacific "ring of fire." Regional Aboriginal legends speak of the mountains as chiefs who waged war by heaving fire and stone at one another.

In 30 years of varsity athletics, UFV is proud to be one of the most decorated post-secondary athletic programs in the nation.

ATHLETICS AT UFV

UFV CASCADES (Department of Athletics)

The Cascades teams have earned four national championships, 17 provincial championships, and have seen 130 student athletes named conference all-stars at both the PACWEST and Canada West level.

The Envision Athletic Centre on UFV's Abbotsford campus houses a 21,500-sq-ft double court gymnasium featuring retractable seating for up to 1,500 spectators.

UFV Cascades Teams:

- Basketball (Canadian Interuniversity Sport)
- Soccer (Canadian Interuniversity Sport)
- Volleyball (Canadian Collegiate Athletic Association)
- Golf (Canadian Collegiate Athletic Association)
- Rowing (Canadian University Rowing Championships)

Academic excellence is a priority for all UFV student athletes. Those needing one-on-one academic assistance and guidance attend a weekly study hall for support.

TIP: Keep an eye out for Sasq'ets, the Cascades' mascot, roaming the campus.

He is an elusive and mystical mountain creature.

GREAT INSTRUCTORS

Dr. Linda Pardy makes her communication courses so informative, interesting, and relevant that students keep coming back for more. They value these courses as they prepare for a workplace where almost every professional is expected to be able to write concise reports, make compelling presentations, organize events, and summarize material. She was the 2013 winner of UFV's Teaching Excellence award. She earned her PhD at the University of Calgary.

Dr. Noham Weinberg runs the Molecular Modeling Lab at UFV, where he and his protégés practise a 'what if' type of chemistry research. Instead of using actual chemicals, equipment, and test tubes, they use computers to carry out simulated cyber-chemistry experiments using sophisticated software, providing outputs that match results of real experiments. Dr. Weinberg was the 2013 winner of the UFV Research Excellence award. He is originally from Russia, where he earned his PhD at the USSR (Russian) Academy of Sciences.

Dr. Chris Bertram teaches in the kinesiology department. He earned his Master of Science degree at the University of Nevada, and completed his PhD in kinesiology at Simon Fraser University. He and his students have conducted research into the motor skills of children with Fetal Alcohol Spectrum Disorder (FASD). Dr. Bertram has been recognized for his instructional and mentorship skills with the UFV Teaching Excellence award in 2011.

Dr. Sylvie Murray earned her PhD at Yale University and teaches American history at UFV. She has written extensively on women's social movements and community activism, and more recently has investigated the role of post-secondary education in fostering ethical citizenship.

HERE FOR YOU

TIP: Profs really do want to speak with you. They welcome conversation and offer their free time to help students, so don't be shy!

An amazing instructor can make all the difference! UFV professors are not only some of the best minds in their fields, but have chosen to teach at UFV because they value sharing their knowledge with future generations. That is just one of the many reasons they are among the top-ranked in Canada for student-faculty interaction.

Dr. Olav Lian teaches geography at UFV and is the director of our luminescence dating laboratory, currently the only one of its kind in Western Canada. Dr. Lian joined us from a faculty position at the University of London (UK) and — together with his students — is studying the impact of environmental change in British Columbia over the last 2.5 million years. He was the first winner of our Research Excellence award.

COVERING THE COSTS

TUITION AND FINANCING

TUITION AND FEES

Consider your education an investment in your future. A typical undergraduate Arts or Sciences student taking a full course load at UFV can expect to pay about \$4,335 in tuition fees over two semesters. International student fees are available online at ufv.ca/international

Be sure to check in with Financial Aid & Awards at ufv.ca/fineaid to explore scholarships, bursaries, and student loans.

FINANCING YOUR EDUCATION

Visit UFV's "Surfing for dollars!" site at ufv.ca/fineaid/surf for information on scholarships and awards to help pay for your education. For a wealth of information including financial planning, grants and bursaries, personalized scholarship search, student loans, and tips for budgeting and saving money, visit canlearn.ca

A LITTLE LIGHT ON CASH?

Investigate our work-study programs and co-operative education placements, where you gain paid work experience as you earn your credential.

Check out ufv.ca/jobs

HIGHER EDUCATION, LOWER COST

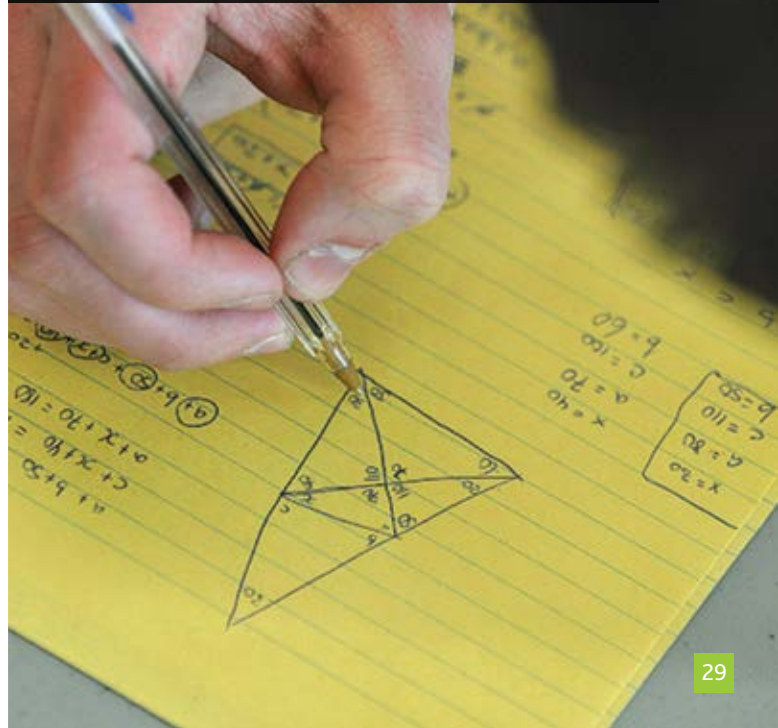

In a recent local survey, high school students overestimated the cost of tuition for one year by over \$4,000, guessing, on average, that tuition would be around \$8,500. In fact, average yearly tuition at UFV is only \$4,335 (for two semesters of five courses each).

TAKE IT ONE STEP AT A TIME

Some programs allow you to "ladder" into another program, giving you the opportunity to build on previously earned credentials. For example, the two years of credits earned in a diploma or associate degree could be used as credit toward a four-year degree in the same area. Please refer to the current calendar for additional details:

ufv.ca/calendar/programs

TIP: Study close to home and save! Living at home while studying at UFV can cut the cost of your post-secondary education by almost 50%.

10 THINGS TO LOVE ABOUT UFV

The Great Outdoors

Take a break from your studies to get outside and enjoy the beautiful scenery.

The Green

Join a sport, cultural, or fun activity underway, or just relax.

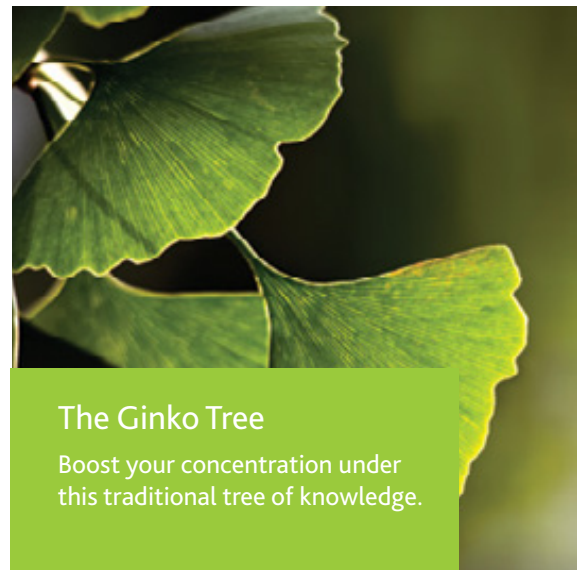

Electric Car Charging Stations

Eco-friendly and economical!

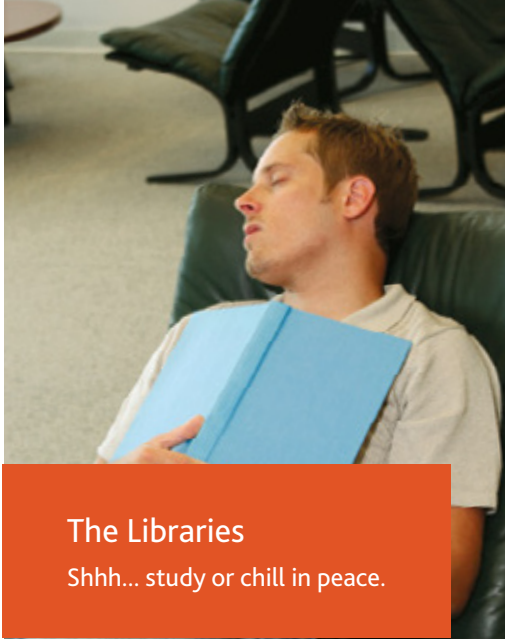

Visual Arts Displays

Enjoy creative awesomeness.

The Ginkgo Tree

Boost your concentration under this traditional tree of knowledge.

The Libraries

Shhh... study or chill in peace.

U-house

Challenge an unsuspecting fellow student to game of foosball.

The Fitness Centre

Work out your body as well as your mind.

Smart Classrooms

Learn in eco-friendly, technologically advanced rooms. Some even have great views!

Welcome Back Events

Get to know fellow students at "week of welcome" concerts, activities, and barbecues.

AGRICULTURE

AGRICULTURE PROGRAM INFORMATION

Graduates of UFV's Agriculture programs are among the most employable graduates in Canada. The career options are diverse, and many students find employment prior to graduation.

CREDENTIALS OFFERED:

- ☑ Certificates
 - Horticulture Crop Production & Protection, Livestock Production, Berry Production, Current Agriculture Practices, Field Vegetable Production, Integrated Pest Management, Milker Technician
- ☑ Diplomas
 - Agriculture technology
- ☑ Bachelor's degree
 - Business Administration (Agriculture Management)

SAMPLE CAREERS:

- Small Business Owner
- Crop Production Technician
- Livestock Production Technician
- Farm Manager
- Poultry Producer
- Industry Representative
- General Manager
- Integrated Pest Management Specialist

EXCELLENT TIMING

It's never been a better time to study Agriculture at UFV. Take your classes at our brand new state-of-the-art Agriculture centre of excellence at the Chilliwack campus, Canada Education Park.

HEALTH SCIENCES

HEALTH SCIENCES PROGRAM INFORMATION

Every day we hear about our aging population, or a breakthrough in health science research, or about someone battling illness. UFV can start you on a career in the health care sector where you can make a significant difference in people's lives.

CREDENTIALS OFFERED:

- ☑ Certificates
 - Certified Dental Assistant, Health Care Assistant
- ☑ Diplomas
 - Practical Nursing
- ☑ Bachelor's degrees
 - Kinesiology (BKIN), Nursing (BSN)

SAMPLE CAREERS:

- Registered nurse
- Practical nurse
- Dental assistant
- PE teacher
- Exercise therapist
- Coach
- Occupational therapist
- Long-term-care health worker
- Health care assistant
- Kinesiologist

SHOW US YOUR PEARLY WHITES

Become a dental assistant, and develop freakishly good skills at understanding patients who talk with a mouth full of suction and fluoride. Say what? UFV recruiter, **Holly** demonstrates in this video that's sure to give you a toothy grin.

PROFESSIONAL STUDIES

UFV's Faculty of Professional studies features a diverse offering of practical, career oriented programs. From Child and Youth Care, to Education, to Social Work/Human Services, our graduates leave equipped to become successful professionals in the career of their choosing.

PROFESSIONAL STUDIES PROGRAM INFORMATION

CREDENTIALS OFFERED:

- ☒ Certificates
 - Community Support Worker, Early Childhood Education
- ☒ Diplomas
 - Aboriginal Culture & Language Support, Early Childhood Education (optional special needs or infancy specializations), Library and Information Technology, Social Services, Social Services (First Nations option)
- ☒ Bachelor's degrees
 - Child and Youth Care (BA CYC) (optional Child Welfare or Child Life professional specializations), Social Work (BSW) (optional child welfare specialization)
- ☒ Master's degree
 - Social Work (MSW)
- ☒ Post Graduate programs
 - Library Technician (post-diploma certificate), Teacher Education (elementary, middle, and secondary), Teacher Leadership & Mentorship (graduate certificate)

SAMPLE CAREERS:

- Elementary teacher
- Secondary teacher
- Preschool teacher
- Youth worker
- Child protection specialist
- International youth advocate
- Behaviour interventionist
- Child psychologist
- Library technologist
- Social worker
- Substance abuse counsellor
- Community support worker
- Child welfare specialist
- Child advocate
- Crisis intervention worker
- Corrections worker
- Foster care caseworker

SUN, FUN, AND THE POWER OF PLAY-BASED LEARNING

How can you help even the youngest minds learn? UFV Early Childhood Education students took their class outside on a sunny day to set the stage for wee ones to learn music through fun play. There was drumming, strumming, humming... and yes, the university students learned a lot too!

Check out the story and photo gallery:
ufv.ca/chooseProStudies

SCIENCE

The impact of science is expanding globally. At UFV, you will discover science hands-on in lab and field courses, giving you knowledge and experience that can take you anywhere.

CREDENTIALS OFFERED:

- ☑ Associates degrees
 - Science
- ☑ Transfer programs
 - Engineering (transfer to UBC/UVic)
- ☑ Bachelor's degrees
 - Science (BSc)
 - Areas of Study: Biology, Chemistry, Computer Science, Mathematics & Statistics, Physical Geography, Physics
 - Optional Pre-Medical and Pre-Veterinary concentrations

SAMPLE CAREERS:

- Doctor
- Veterinarian
- Dentist
- Environmentalist
- Chemist
- Marine biologist
- Physiotherapist
- Astrophysicist
- Seismologist
- Teacher
- Geneticist
- Scientific research manager

SCIENCE PROGRAM INFORMATION

ANSWER CORE QUESTIONS

Solve the mystery of how the Fraser Valley environment has changed through time. As a UFV Geography student, you may find yourself in the field, on a flood plain, and in the lab, working with c-c-cold core samples. Just be sure to dress appropriately! Watch this video of UFV recruiter Holly with Dr. Johnathan Hughes for a glimpse of the Paleoecology Lab. Rubber boots optional.

	Electronics Technician – Common Core certificate	BC high school graduation; Math 11		- Unless otherwise stated in the academic calendar (ufv.ca/calendar), academic programs require BC high school graduation or equivalent - In most cases, a certificate takes less than one year, a diploma takes two years, and a degree takes 4 years. Please see the academic calendar for details on each program - Co-operative education option available in Arts, Business Administration, Computer Information Systems, Kinesiology and Physical Education, Library and Information Technology, and Science - Entrance requirements as shown here are minimums; some UFV programs have a competitive admissions model where meeting the minimum requirements does not guarantee entrance to the program - For a list of approved Grade 12 courses visit ufv.ca/Grade12 - In case of discrepancy between the viewbook and the academic calendar, the academic calendar shall be taken as correct	
	Hospitality and Event Management Post-Degree Certificate	No entry from high school. Completion of bachelor's degree.			

CAREER SERVICES

It's payback time. At Career Services you can meet with a career coach to discover how to gain relevant experience through paid volunteer work, develop a professional resume, improve interview skills, and connect you with employers at career fairs and events.

Career Services can also help with:

- exploring career options
- ordering student business cards
- being a tutor
- working abroad
- accessing resources in our Career Lab

CO-OPERATIVE EDUCATION

Take your academic learning to the next level by engaging in professional, discipline-specific, career-related, paid employment opportunities with employers from all sectors. Through full-time, paid work semesters in Co-op Education, you can explore career options in your field, build a resume that will help you quickly secure a professional position after graduation, and help pay your tuition at the same time.

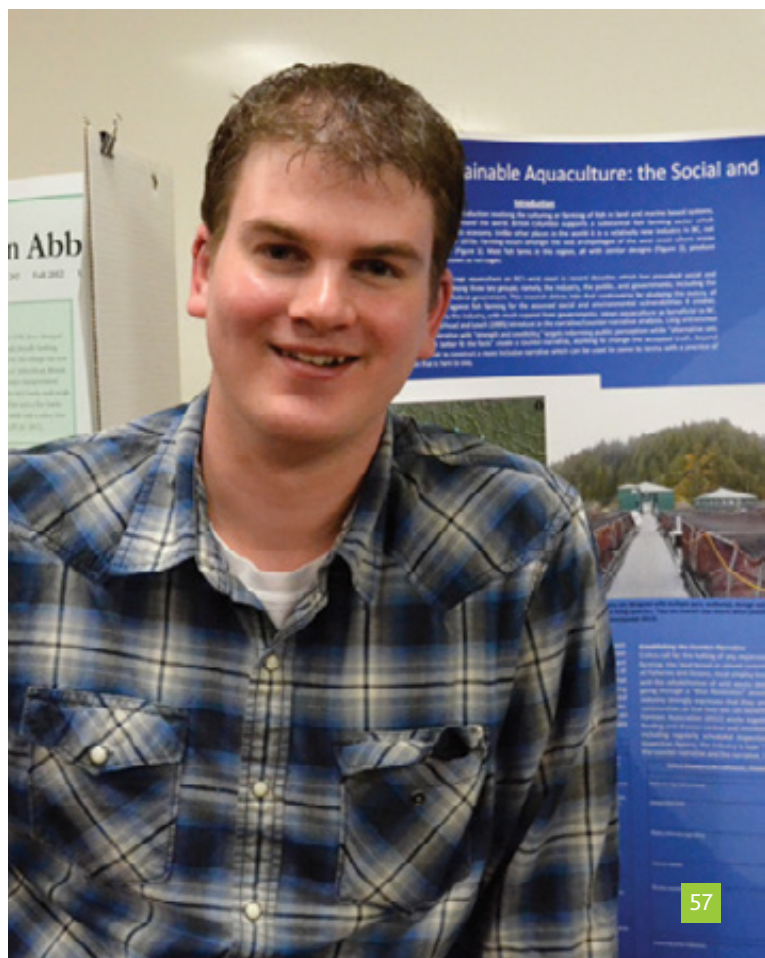

Through Co-op Education you will:

- be able to 'test out' career options and employers
- build contacts with large corporations, government agencies, small businesses, and not-for-profit organizations to assist in future job searches
- engage in productive work that relates to your field of study and interests
- gain experience with professional employment applications, interviews and workplace etiquette
- earn money to help offset the cost of tuition and living expenses

The Co-operative Education option is available in the following programs: Arts, Science, Business, Computer Information Systems, Kinesiology and Physical Education, and Library Information and Technology. Find out more at ufv.ca/Jobs/Co-op-Education

WORK-STUDY

Land an on-campus, part-time job related to your program of study. These positions are flexible around your class schedule and give you the opportunity to work with faculty and staff in various departments within the university while gaining work experience, contacts, and references for other employment or graduate school. Many of these positions work on specific research projects with faculty or professional projects within service areas of the university.

APPLY NOW: HERE'S HOW

To start at UFV, students must apply to a program of study. UFV offers 100+ programs and many have specific application dates and entrance requirements. Be sure to check these in advance so you are ready to apply when the time comes!

Early application is advised, as qualified applicants are often accepted on a first-qualified, first-admitted basis. Note the dates below.

Semester (starting)	Apply
Fall (September)	Oct 1, 2013–Jan 31, 2014
Winter (January)	May 1, 2014–Aug 31, 2014
Summer (May)	Oct 1, 2014–Dec 31, 2014

Some programs offer continuous application. This means you can apply at any time during the year to be considered for the next available space. Examples are: Program Studies Pathways, Trades, Agriculture, Applied Business Technology, and Continuing Studies certificates. The Bachelor of Science

in Nursing, Practical Nursing certificate, Certified Dental Assistant certificate, and several Early Childhood and Human Services certificates also accept continuous application.

GENERAL REQUIREMENTS

Canadian citizens and permanent residents (landed immigrants) are eligible for admission as domestic students. International students can find details about their specific admission requirements at ufv.ca/psw

QUALIFICATIONS

Post-secondary programs at UFV generally require BC high school graduation or equivalent for admission. We also offer upgrading to get you there.

For many programs additional entrance requirements must be met in order to ensure students have a reasonable chance of success. Please find your program on page 55 or in the UFV calendar at ufv.ca/calendar for entrance requirements.

Some programs accept mature students (age 19 or older on the first day of classes) without high school graduation.

ADMISSIONS INFO

Programs may admit students in one of two ways:

1. Qualified applicants are admitted on a first-qualified, first-admitted basis in order of their date of application (recorded when the application is complete), or
2. Applicants are admitted on a competitive basis, according to criteria the program has established to determine best-prepared students. Students must complete the application process by the application deadlines in order to be considered. Early application is recommended.

ADMISSION FROM OTHER PROVINCES

Students who have graduated from the secondary school system (Grade 12) in the Yukon, Northwest Territories, Nunavut, Alberta, Saskatchewan, Manitoba, New Brunswick, Nova Scotia, Prince Edward Island, and Newfoundland are considered to have satisfied BC Grade 12 equivalent. Students from Quebec who have completed one full academic year at CEGEP and students from Ontario who have graduated on the new curriculum (2003 or later) are also considered to have equivalent to BC graduation. Ontario graduates from previous years are required to have six OAC courses or Grade 13.

EQUIVALENTS TO BC GRADUATION

Students who have completed the International Baccalaureate diploma program, the ABE Provincial diploma, the BC Adult Graduation diploma Adult Basic Education completion, or the General Education diploma (GED) may be considered to have the equivalent of BC secondary school graduation for admission purposes.

CONDITIONAL ADMISSION

Some programs may accept students prior to completion of all entrance requirements.

SPECIAL ADMISSION

Students who don't meet stated admission requirements may request special consideration. Special admission request forms are available at ufv.ca/admissions or at the Office of the Registrar on campus.

CONCURRENT STUDIES

Secondary school students may take a course at UFV while still working toward secondary school graduation. Ask about programming for trades students. Check out the details at ufv.ca/calendar

ENGLISH LANGUAGE ENTRANCE PROFICIENCY POLICY

English is the language of instruction at UFV. Applicants are expected to be able to demonstrate language proficiency. UFV will verify that applicants meet language proficiency requirements prior to admission. Applicants unable to meet entrance proficiency levels will be given the opportunity to upgrade their language skills through UFV's Upgrading & University Preparation, English as a Second language, and/or the University Foundation certificate programs.

HOW TO BECOME A STUDENT IN FIVE STEPS

- 1) Choose a program of study
ufv.ca/calendar
- 2) Apply to the program at
ufv.ca and click 'apply now'
- 3) Choose your courses
Check out your program requirements in the academic calendar or speak with an advisor
- 4) Plan your course schedule
